Care for the Device

- Charge the device each night to ensure it is ready to use during the next school day.
- Restart your device, on FCPS property, at least once a week to ensure that it gets all the essential updates and patches
- Students should get in the habit of locking their device when the device will be left unattended for any duration of time. This will safeguard the students work and potential tampering
- Students should have an ID tag on the lid of their computer for easy detection
- The computer should be shut down on the completion of each school day and over long weekend or periods of inactivity

First Step - Request a SIS ParentVue Account

Parent Account Creation	Parents must request an SIS ParentVue account. Please use our website link to contact the designated staff directly: https://robinsonss.fcps.edu/announcements/sis-parentvue-account-activation-request
Username	SIS ParentVue username is the email address you used to set up your SIS ParentVUE account
Password	Password is set when the account is created: Parent passwords do not expire. Parent passwords can be reset on the ParentVUE login page, http://bit.ly/SISParentVue_login . Follow the same criteria for Student PW on page 1.

Second Step - All Accounts are accessed through SIS

StudentVUE & ParentVUE Access:	Access to a web portal & mobile app that provides parents with information regarding their child's academic experience, including grades, attendance, discipline, graduation requirements, and more. Link: https://sisparent.fcps.edu
Schoology: FCPS Learning Management System	Parents use their SIS ParentVUE username and password to log in. You must go through the SIS ParentVue Account Portal to access Schoology. The login URL for Schoology is https://lms.fcps.edu Note: Parents will not be able to access Google materials.
FCPS Google Workspace	Parents do not have access to FCPS Google. Parents will not be able to view any Google resources, even in Schoology. To see this work, you will need ask your student to log in with you.
