

STANDARDS OF LEARNING EXPEDITED RETAKE FORM

Dear Parents/Guardians:

Students in grades 7-8 in our school will be taking the **Virginia Standards of Learning (SOL) Tests** in **May**. The Virginia Board of Education is allowing middle school students who fail SOL tests by a narrow margin (scoring between a 375 and 399) to be retested before the end of the year provided parental permission is obtained. In grades 7-8, a student's performance on the SOL does not impact the student's grade in the class, nor their academic record.

If you believe that your student would benefit from a second opportunity to demonstrate proficiency before the end of the school year, should they be eligible for a second attempt, please return this Permission Form with emergency care forms. Dates for retakes will be provided as we get closer to the SOL testing window. Please check all tests you want your child to retake, if eligible. If you do not want your student to retake an SOL, then **ONLY** check the NO box at bottom of form.

Students' remediation with teachers will be scheduled through individual teachers.
