## STUDENT TRANSFER PROCESS 2020-2021 School Year

1. Fill out the FCPS application for curricular transfer and the Letter of Understanding online. In “Reason for Request,” check International Baccalaureate Program. The enrolling parent will access the online student transfer application on the Student Transfer website and must have a Student Information System - SIS Parent Account to submit the request. Payment (\$100) is required at the time the application is submitted. The online student transfer application will be available beginning **February 1<sup>st</sup>, 2020**. The student transfer website has information posted: <https://www.fcps.edu/registration/student-transfers>. If you are coming from a non-Fairfax County School, you will first need to register at your base school to receive a student ID number. Inform the base school that you are only registering to receive the number and that you plan to apply for student transfer. Applications will be accepted February 1<sup>st</sup> 2020 through May 1<sup>st</sup> 2020 only. You may only request Robinson if we are the IB school closest to your residence.

2. Give your child’s current school counselor the recommendation form to complete. Have that person send the completed form to the IB Coordinators at Robinson via fax or email. Make sure that the counselor also sends a current transcript reflecting grades and course enrollment.

3. The names of qualified applicants will be forwarded to the Office of Student Registrations for approval. The Office of Student Registration will notify the parent/guardian of the approval or denial decision in writing.

If you have any questions, please call the IB Office or email one of the coordinators. You can also get more information about the student transfer process on the FCPS website.

4. **Optional Four-Year Planning Meeting: Wednesday, April 22<sup>nd</sup> at 7 PM at Robinson.** At this meeting, the coordinators will go over the requirements of the program and work with the students to complete a potential four-year plan. We do not meet with families individually.
