

STUDENT PHONE POLICY DOCUMENT & GUIDELINES

Middle School Cell Phone Pilot Using YONDR Pouches

Phones are not to be used during school. In accordance with [Regulation 2601](#), middle school students may use their phones before and after school.

Every student will be assigned a personal Yondr Pouch. While the Yondr Pouch is considered school property, it is each student's responsibility to bring their pouch with them to school every day and keep it in good working condition.

DAILY PROCESS

- 1) Each morning before placing their phones in the pouches, students will turn off their cellphones or place them on airplane mode in order to prevent noise and/or vibrations coming from the phone. This needs to be done by the late bell. Smartwatches also need to be placed in silent or airplane mode.
- 2) Phones will then be placed inside their assigned pouch and secured. If a student brings airpods to school, these must also go in the pouch. Students will then close/lock the Yondr pouch.
- 3) The first period teacher (or second period teacher, depending on the day's schedule) will ask all students to hold up their pouches to verify that each student brought in their pouch and has also put their cell phone away.
- 4) The locked pouch will then be stored in the student's backpack or secured for the day.
- 5) For those students who have forgotten their pouch, the teacher will send the student to the office to store their cell phone there for the day, or call the admin team to bring students to the office to store their phones there for the day.
- 6) The cell phone policy will be enforced bell to bell each school day.
- 7) For the first few weeks of the pilot, schools may have a daily schoolwide announcement first thing in the morning to remind teachers of the pouch check and to remind students to place phones in pouches.

At the end of the day, students will open their pouch using the school-provided mechanism, remove their phone and then put their pouch in their backpack. Students must bring their pouch to school with them each day. The pouch is the responsibility of the student for the entire year.

Students arriving late or leaving early will need to come to the main office or subschool office to secure/release their phones.
