

IB Spanish I summer assignment 2018

Srta. Musso, Sr. LeFebure, Sra. Chandler

Welcome IB Spanish I students!

We are so glad you are continuing with your studies in Spanish. The IB Spanish I team has decided on a summer assignment which we believe will benefit everyone by ensuring that all students know certain essential vocabulary.

Requirement::

Know the attached list of 200 of the most used verbs in Spanish. You must know them from English to Spanish. Most of these verbs you have already learned over the course of your studies, and there are probably a lot that you already know by heart.

Assessments:

Students will take 3 large quizzes on these verbs, one per week, starting the second week of school in the fall. Remember, you must know the verbs from English to Spanish.

How to practice:

- We have included a quizlet practice.
- You should click on the star next to the words you don't know and then, where it says 'filter' click on "starred", and start practicing. Begin with a manageable group of words, and remember to practice them from English to Spanish.
- You can also make your own copies of the list and divide them into smaller study sets.

Have a great summer!
